My personal information

Please let the SRMS know the personal details that you are comfortable sharing with us below.

The **SRMS Privacy Statement** (<http://raptormonitoring.org/srms-data/privacy-statement>) explains how the SRMS processes and uses personal data. Please note that your personal data is information relating to you (e.g. your name and contact details) and not the raptor records you submit to the SRMS.

If you are happy for BTO SRMS staff to access your personal information in your MyBTO account instead, please tick the appropriate box. Please note you will need a MyBTO account to be able to access and submit raptor data via SRMS Online – see *Registration to use SRMS Online* section below.

Registration to use SRMS Online

We hope that if you monitor breeding raptors in Scotland you will use the SRMS Online to submit your data to the SRMS. Please tick the appropriate boxes below so that the SRMC can proceed with getting your SRMS Online account ready. Once your SRMS Online account has been activated the SRMC will be back in touch with you so you can get started.

I wish to use the SRMS Online to submit my raptor monitoring data. Yes <input type="checkbox"/> or No <input type="checkbox"/>
I have set up a MyBTO account. N.B. You need a MyBTO username and password to log in to SRMS-online. If you're already doing a BTO survey online, e.g. BirdTrack, then you should have these already, or BTO may have emailed them to you. Otherwise please visit My BTO https://www.bto.org/my-bto to set up a BTO Surveys Home account before returning this form to the SRMC. Yes <input type="checkbox"/> or No <input type="checkbox"/>
I consent to the SRMC pre-loading existing breeding raptor locations that I monitor onto the System to save me the effort. Yes <input type="checkbox"/> or No <input type="checkbox"/>
If you are a Scottish Raptor Study Group branch member the default set-up will be for the records that you submit (or others submit on your behalf) via SRMS Online to be editable by the relevant Species Coordinator and Chair within your branch in addition to the SRMC. I consent to this standard set-up. Yes <input type="checkbox"/> or No <input type="checkbox"/>

My raptor records

The **SRMS Data Sharing & Use Policy** (<http://raptormonitoring.org/srms-data/data-sharing-use-policy>) explains how the SRMS data you submit to the SRMS is used by us and shared with others.

Please confirm your agreement to the SRMS using and sharing your raptor data that the SRMS holds in line with this Policy.

I consent to my raptor records being used and shared by the SRMS in line with the SRMS Data Sharing & Use Policy.

Yes or No

The Rare Breeding Birds Panel (RBBP) holds archival raptor data from prior to the establishment of the SRMS in 2002. These data include information extracted from license returns for Schedule 1 species that have been shared with RBBP by Scottish Natural Heritage and/or BTO. If you were involved in monitoring Schedule 1 raptors in Scotland prior to the establishment of the SRMS, RBBP may hold records that can be linked with you. Please confirm your agreement to RBBP passing these data on to the SRMS, whereupon those data will also become part of the SRMS master dataset.

I consent to RBBP sharing any raptor records linked to me with the SRMS and to them being used and shared by the SRMS in line with the SRMS Data Sharing & Use Policy.
